

MDD Student Field Trip Funding Application

The Mineral Deposits Division of the Geological Association of Canada supports students interested in the study of mineral deposits and exploration with an annual field trip funding competition. These competitive awards are allocated to successful student groups who demonstrate a need for financial support to offset expenses for a field trip focussed on economic geology.

Application due date: October 31st, 2017

Awards available: awards up to \$1500

Eligibility:

1. The field trip must have a mineral deposits/economic geology focus (N.B., field trip itineraries should not include conferences such as PDAC)
2. The group must be affiliated with a Canadian University/Institution
3. The field trip must have at least 8 student participants

Application requirements:

1. Proposal outlining or demonstrating:
 - a. Purpose of trip
 - b. Itinerary
 - c. Application of the trip to mineral deposits/economic geology
 - d. Trip leaders
 - e. List of participants and their affiliations (students, industry etc.)
 - f. Amount requested from the MDD and why (e.g., \$300 for van rental)
2. Budget:
 - a. Detailed budget of projected expenses
 - b. Cost to participants
 - c. Sources of funding
3. Letter of support from faculty sponsor

Should your application be successful please note:

1. The group must produce a summary report with pictures after the trip to be published in the MDD newsletter or on the website
2. The MDD logo should be printed on materials for the field trip, e.g. field guides or itineraries
